## INDUSTRIAS CANYELLES BCN S.L.

Es una empresa dedicada a la fabricación de carpintería de aluminio, hemos ido creciendo según las necesidades del mercado, formando profesionales con una larga trayectoria en el sector de la fabricación de puertas y ventanas de aluminio.

Somos especialistas en la fabricación de elementos de aluminio especiales como cerramientos de seguridad para locales, comercios...

Hemos dotado nuestras instalaciones de los métodos más avanzados en tecnología para la fabricación de puertas y ventanas de aluminio con las máximas garantías de aislamiento y estanqueidad, trabajando siempre con perfiles de primera calidad.

Nuestros productos aportan diseño, calidad e innovación con una amplia oferta que satisfacen las necesidades de nuestros clientes.

**Somos fabricantes de carpintería de aluminio  
especializados en cerramientos y elementos  
de seguridad.**
